

Foundational Stage

KinderGarten Framework

Grade Kindergarten - Framework

Semester I - March, April, May -All About Me Building Blocks - 32

SUBJECT	CONCEPTS	SKILLS	SUB-TOPICS
Circle Time	Emotions Myself Parts of the body Sense Organs Digestive system Healthy and Junk food Summer	Communication ☐ express feelings ☐ develop clarity of speech ☐ build their vocabulary Comprehension ☐ understand spoken content Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus ☐ build the ability to complete complex learning tasks	Myself ☐ Writing their name ☐ Me- special Parts of the body ☐ Face, skeleton system, safety, body care Digestive system ☐ Organs and the process

		Collaboration ☐ cooperate and work with each other ☐ work independently ☐ complete a given task Creativity, Innovation Critical thinking, Leadership, Responsibility, Accountability, Initiative, Self direction, Flexibility, Adaptability, Social, Cultural, Productivity, Accountability, Information and Technology	
Literacy	Recap of alphabets Read, write and make sentences with three letter CVC words Sight words	Communication ☐ develop clarity of speech ☐ identify words, sentences Comprehension ☐ understand spoken and written content Reading and writing skills ☐ building vocabulary ☐ sentence construction	Recap of alphabets ☐ Aa to Zz Read, spell, write and make sentences with three letter CVC words ☐ at,am, ap, ag words Sight words ☐ I, am, see, the, is, boy, girl, on, has, was, you, my

		Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus	
Literacy - Hindi	Akshar reading, writing and recognition	Communication ☐ increase vocabulary ☐ develop clarity of speech ☐ identify akshar Comprehension ☐ understand spoken content Reading and writing skills ☐ building vocabulary ☐ akshar formation Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control,	Akshar reading, writing and recognition ☐ अ से औ

		develop concentration and focus	
Numeracy	Recognition, writing and arranging the Numbers in a sequence Forward and backward counting Ascending and descending order Bigger/ smaller number Greater/ smaller number After, before, between Sequencing Number names Number Line Domino cards- ten frame mat	☐ problem solving ☐ number sense ☐ matching ☐ making sets ☐ sorting ☐ picking the odd one out ☐ counting ☐ comparing ☐ putting the things in order ☐ understanding number patterns ☐ develop concentration and focus ☐ self direction	Recognition, writing and arranging the numbers in a sequence ☐ 0-10 Number names ☐ 1-10 Shapes ☐ Circle, square

	Data handling		
	Shapes		
Semester II - July, Aug., Sept. - My World Building Blocks - 62			
SUBJECT	CONCEPTS	SKILLS	SUB-TOPICS
Circle Time	Raksha Bandhan Janmashtami Independence Day My School Transport Water Plants	Communication ☐ express feelings ☐ develop clarity of speech ☐ build their vocabulary Comprehension ☐ understand spoken content Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus ☐ build the ability to complete complex	Independence Day ☐ National symbol ☐ Animal, bird ☐ Monuments ☐ President and prime minister My School ☐ My class ☐ Responsibilities ☐ Areas in the school ☐ Rules of the school ☐ Uniform ☐ School song, emblem, motto Transport ☐ Land, air, water vehicles ☐ Wheels ☐ Traffic rules ☐ Concept of floating in air and water Water ☐ Properties, sources, uses

		learning tasks Collaboration ☐ cooperate and work with each other ☐ work independently ☐ complete a given task Creativity, Innovation Critical thinking, Leadership, Responsibility, Accountability, Initiative, Self direction, Flexibility, Adaptability, Social, Cultural, Productivity, Accountability, Information and Technology	☐ Solubility and insolubility ☐ Sink and float ☐ Conservation ☐ Water cycle Plants ☐ Living, non living things ☐ Kinds, parts, requirements, products ☐ Parts of plant as food ☐ Function
Literacy	Read, write and make sentences with three letter CVC words Concept of This is....., That is..... Sight words	Communication ☐ increase vocabulary ☐ develop clarity of speech ☐ identify words, sentences Comprehension ☐ understand spoken and written content Reading and writing skills	Read,spell,write and make sentences with three letter CVC words ☐ et, en, eg, ed, ig, id, ip, it, ot, op, og, ug, um, ut words Sight words ☐ I, me, my, the, like, a, see, so, to, am, an, and, at, he, no, we, in, it, is, she, go, this, that, here, boy, girl, like, have, and, name, home, school

		☐ aural and written comprehension ☐ building vocabulary, words, sentence construction Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus	
Literacy - Hindi	Akshar reading, writing and recognition Reading, writing and comprehension of 2 letter words	Communication ☐ increase vocabulary ☐ develop clarity of speech ☐ identify akshar, word Comprehension ☐ understand spoken and written content Reading and writing skills ☐ aural and written comprehension ☐ building vocabulary	Akshar reading, writing and recognition ☐ क से न Reading, writing and comprehension of 2 letter words ☐ अ से औ ☐ क से न

		☐ akshar, word formation Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus	
Numeracy	Recognition, writing and arranging the numbers in a sequence Forward and backward counting Number bundling Bigger/ smaller number After, before, between Greater/ smaller number Number Line Domino cards- ten frame mat	☐ problem solving ☐ number sense ☐ matching ☐ making sets ☐ sorting ☐ picking the odd one out ☐ counting ☐ comparing ☐ putting the things in order ☐ understanding number patterns ☐ place value ☐ developing concentration and focus ☐ self direction ☐ time management	Recognition, writing and arranging the numbers in a sequence ☐ 11- 19 Shape ☐ Circle ☐ Square ☐ Triangle ☐ Rectangle Time ☐ Days of the week, weather, month, dates (today,yesterday, tomorrow, morning, afternoon and evening)

	Data handling Shape Time		
Semester III - Oct., Nov., Dec. - Enriching Within Building Blocks - 55.			
SUBJECT	CONCEPTS	SKILLS	SUB-TOPICS
Circle Time	Gandhi Jayanti Dussehra Diwali Christmas Animals Winter season	Communication ☐ express feelings ☐ develop clarity of speech ☐ build their vocabulary Comprehension ☐ understand spoken content Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration	Gandhi Jayanti ☐ Introduction Dussehra ☐ Story ☐ Decoration ☐ Celebrations Diwali ☐ Story ☐ Decoration ☐ Celebrations ☐ Do's and don'ts of crackers Christmas ☐ Story ☐ Decoration ☐ Celebrations Animals

		and focus ☐ build the ability to complete complex learning tasks Collaboration ☐ cooperate and work with each other ☐ work independently ☐ complete a given task Creativity, Innovation Critical thinking, Leadership, Responsibility, Accountability, Initiative, Self direction, Flexibility, Adaptability, Social, Cultural, Productivity, Accountability, Information and Technology	☐ Name, features, name of the sound ☐ Name of the habitat ☐ Name of the babies ☐ Covering , care of the animals ☐ Categories of animals-pet, wild, domestic- uses, differences ☐ Aquatic animals- features ☐ Lifecycle of a frog-name of the stages ☐ Aerial animals- characteristics,features, young ones, sounds, habitat, parts of the bird, life cycle Winter season ☐ Features ☐ Clothes ☐ Food, beverages ☐ Fruits, vegetables
Literacy	Read,comprehend, spell and write, make sentences with blends Read, spell, write and make sentences with sight words	Communication ☐ increase vocabulary ☐ develop clarity of speech ☐ identify words, sentences Comprehension	Read,comprehend, spell, write, make sentences with blends ☐ sl, sp, st, sn,sw, sm, sc, sk, br, fr, cr, dr Read, spell, write, make sentences with sight words ☐ red, yellow, blue, where, when, what, you, said, mother, father, friend

		☐ understand spoken and written content Reading and writing skills ☐ aural and written comprehension ☐ building vocabulary ☐ sentence construction Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control develop concentration and focus	
Literacy - Hindi	Akshar reading, writing and recognition Reading, writing and comprehension of 2 letter words.	Communication ☐ increase vocabulary ☐ develop clarity of speech ☐ identify akshar, words. Comprehension ☐ understand spoken and written content Reading and writing skills ☐ aural and written	Akshar reading, writing and recognition ☐ प से श Reading, writing and comprehension of 2 letter words ☐ अ से औ ☐ क से न ☐ प से श

		comprehension ☐ building vocabulary ☐ akshar, word construction Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus	
Numeracy	Writing, counting 0- 20 Measurement Data handling	☐ problem solving ☐ number sense ☐ matching ☐ making sets ☐ sorting ☐ picking the odd one out ☐ counting ☐ comparing ☐ putting the things in order ☐ understanding number patterns ☐ making connections	Writing, counting ☐ 0-20 ☐ Greater/ lesser/equal to ☐ More/ less ☐ Bigger/ smaller with 3 numbers ☐ Ascending/descending ☐ Reading of dice numbers ☐ Forward/ backward counting ☐ Introduction to bundling and tens and ones Measurement ☐ Height, weight

		☐ place value ☐ developing concentration and focus ☐ self direction	
Semester IV-Jan., Feb., March.- Aim High, Reach for The Sky Building Blocks - 35			
SUBJECT	CONCEPTS	SKILLS	SUB-TOPICS
Circle Time	Republic Day Community helpers Sky Spring season	Communication ☐ express feelings ☐ develop clarity of speech ☐ build their vocabulary Comprehension ☐ understand spoken content Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus	Republic Day ☐ National symbols, monuments ☐ Important people of the country Community Helpers ☐ Names, jobs they do,names of the tools they use ☐ Importance in the community ☐ Important numbers, life saving drills during an emergency ☐ Vehicles Sky ☐ Objects in the sky-day/ night ☐ Introduction to the Sun-as a star ☐ Earth, Moon- rotation and revolution for causing day/night ☐ Seasons ☐ 4 phases of the moon

		☐ build the ability to complete complex learning tasks Collaboration ☐ cooperate and work with each other ☐ work independently ☐ complete a given task Creativity, Innovation Critical thinking, Leadership, Responsibility, Accountability, Initiative, Self direction, Flexibility, Adaptability, Social, Cultural, Productivity, Accountability, Information and Technology	Spring season ☐ Observations ☐ Story ☐ Craft
Literacy	Read, comprehend, spell, write, make sentences with blends Read, spell, write, make sentences with sight words.	Communication ☐ increase vocabulary ☐ develop clarity of speech identify words Comprehension ☐ understand spoken and written content	Read, comprehend, spell, write, make sentences with blends and sight words ☐ tr, gr, scr, spr, str, cl, fl, pl, gl, spl, tw

		Reading and writing skills ☐ aural and written comprehension ☐ building vocabulary ☐ sentence construction Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control ☐ develop concentration and focus	
Literacy - Hindi	Akshar reading, writing and recognition ष से ज्ञ Reading, writing and comprehension of 2 letter and 3, 4 letter words and sentences.	Communication ☐ increase vocabulary ☐ develop clarity of speech ☐ identify akshar, words, sentences Comprehension ☐ understand spoken and written content ☐ reading and writing skills ☐ aural and written	Akshar reading, writing and recognition ☐ ष से ज्ञ Reading, writing and comprehension of 2,3,4 letter words and sentences ☐ अ से औ ☐ क से न ☐ प से श ☐ ष से ज्ञ

		comprehension ☐ building vocabulary ☐ akshar, word, sentence construction Develop fine and gross motor skills ☐ develop hand-eye coordination ☐ develop finger control - develop concentration and focus	
Numeracy	Story sums on addition and subtraction Data handling Number bonds Time	☐ problem solving ☐ number sense ☐ matching ☐ making sets ☐ sorting ☐ picking the odd one out ☐ counting ☐ comparing ☐ putting the things in order ☐ understanding number patterns ☐ making connections	Story sums ☐ Addition and subtraction Time ☐ Introduction to minute, second, hour hand ☐ Sharing different activity time, days in a month, days in a year

		☐ place value ☐ place value and face value of numbers-0 to 20 ☐ addition and subtraction of single digit number ☐ time management ☐ developing concentration and focus ☐ self direction
